Autumn 2017

Dear Friends

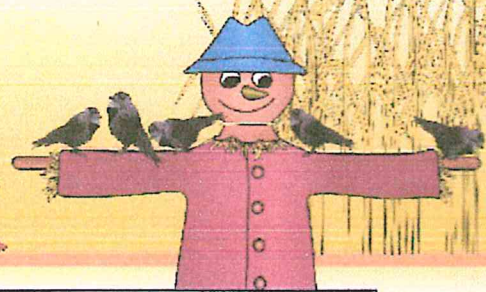

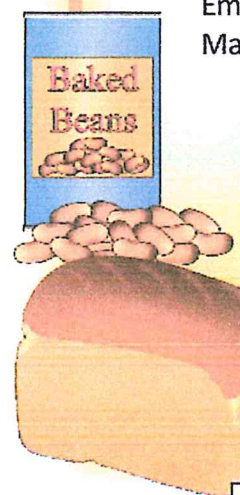

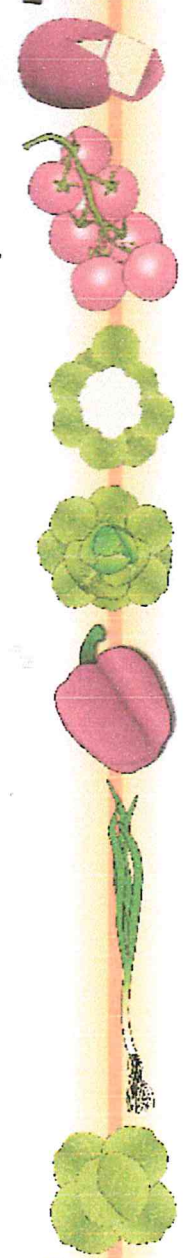

Harvest Festival is an important time for the Welcome Centre, when the generosity of local schools and churches helps us restock ready for the winter.

Each person who visits the centre is facing their own crisis, whether that is due to illness, job loss, relationship breakdown or for many other reasons. Last year we supported more than 3000 individuals through their crisis and we will continue to do so in to the winter months. Your donations enable us to provide food parcels that will last 7 days and give someone the breathing space they need to start getting some support.

If you want to keep up to date with all our news please visit our website at [www.thewelcomecentre.org](http://www.thewelcomecentre.org)

Best wishes and once again many thanks from us all
